

MEETING AND ACTIVITY NOTICES FOR THE WEEK OF MARCH 22-29, 2020

ONSITE WORSHIP will not be conducted at St. Paul Lutheran Church for eight weeks (from March 15). We will follow the pattern already established by many large congregations like ours of providing live-streaming and archived copies of our 10:30 a.m. Sunday morning worship service. It is our hope and prayer that at the end of the eight week period the 50 person cap for gatherings will be lifted. If that is the case, then we would resume our regular Sunday morning onsite worship gatherings on Sunday, May 10. If that cap is lifted earlier, then we would resume earlier. We will continue to monitor and follow the CDC guidelines through this time to determine when we can resume our normal gatherings.

LIVE STREAMING OF WORSHIP SERVICES: We will live-stream our Sunday morning worship service at 10:30 a.m. during this time. To live-stream from the Internet, simply go to the St. Paul Web site at www.splcwaco.com and click on the LIVESTREAM & ARCHIVES button. Then, follow the directions from there. A copy of the worship folder is available by clicking on the link provided on the home page. Live-streaming may also be viewed via the church Facebook page: [St Paul Lutheran Church \(Waco,TX\)](#).

Those of you who enjoy reading the weekly News & Events insert will still be able to view a condensed version of that information via the weekly email sent out by the church office. If you are not currently receiving emails, please contact the office (phone: 254.799.3211; email: wecare@splcwaco.com).

We pray that everyone will take the necessary precautions to stay healthy during this time. We are praying for the St. Paul family, our community and leaders, and are still here to serve you. Please feel free to contact the church office or pastors with any needs, questions, or concerns during this time.
