### Give Thanks to the Creator

Every year we pause in the midst of our hurried world for a special time of Thanksgiving. We remember the Lord to whom we give thanks and consider the many blessings He showers down upon us. As the Scriptures remind us: "Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change" (James 1:17, ESV). Thus, it is fitting to consider again all the Lord has done for us.

In this consideration, I am appreciative of the words Martin Luther wrote in The Large Catechism regarding "The First Article" of the Apostles' Creed. These are, as follows:

"What is meant by these words, 'I believe in God, the Father almighty, maker,' etc.? Answer: I hold and believe that I am a creature of God; that is, that he has given and constantly sustains my body, soul, and life, my members great and small, all the faculties of my mind, my reason and understanding, and so forth; my food and drink, clothing, means of support, wife and child, servants, house and home, etc. Besides, he makes all creation help provide the comforts and necessities of life — sun, moon, and stars in the heavens, day and night, air, fire, water, the earth and all that it brings forth, birds and fish, beasts, grain and all kinds of produce. Moreover, he gives all physical and temporal blessings — good government, peace, security. Thus we learn from this article that none of us has his life of himself, or anything else that has been mentioned here or can be mentioned, nor can he by himself preserve any of them, however small and unimportant. All this is comprehended in the word "Creator..."

Hence, since everything we possess, and everything in heaven and on earth besides, is daily given and sustained by God, it inevitably follows that we are in duty bound to love, praise, and thank him without ceasing, and, in short, to devote all these things to his service, as he has required and enjoined in the Ten Commandments...

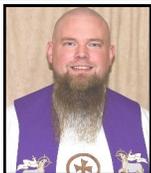

For this reason we ought daily to study this article and impress it upon our minds. Everything we see, and every blessing that comes our way, should remind us of it. When we escape distress or danger, we should recognize that this is God's doing. He gives us all these things so that we may sense and see in them his fatherly heart and his boundless love toward us. Thus our hearts will be warmed and kindled with gratitude to God and a desire to use all these blessings to his glory and praise."

These are good words of wisdom to lead us into thanksgiving and praise of our Creator, God the Father Almighty, to whom belongs all glory, thanks and praise. Amen.

Love God and love your neighbor,  
Pastor Krueger

### Jesus In The Psalms - Psalm 16 (ESV)

<sup>1</sup>Preserve me, O God, for in you I take refuge. <sup>2</sup>I say to the Lord, "You are my Lord; I have no good apart from you." <sup>3</sup>As for the saints in the land, they are the excellent ones, in whom is all my delight. <sup>4</sup>The sorrows of those who run after another god shall multiply; their drink offerings of blood I will not pour out or take their names on my lips. <sup>5</sup>The Lord is my chosen portion and my cup; you hold my lot. <sup>6</sup>The lines have fallen for me in pleasant places; indeed, I have a beautiful inheritance. <sup>7</sup>I bless the Lord who gives me counsel; in the night also my heart instructs me. <sup>8</sup>I have set the Lord always before me; because he is at my right hand, I shall not be shaken. <sup>9</sup>Therefore my heart is glad, and my whole being rejoices; my flesh also dwells secure. <sup>10</sup>For you will not abandon my soul to Sheol, or let your holy one see corruption. <sup>11</sup>You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forevermore.

As I write this article I am looking forward to the Houston Astros hopefully winning game 3 of the American League Championship Series against the New York Yankees. I am also hoping that they win their second World Series this year!

As you can imagine it is quite a bit more fun to be an Astros fan right now than perhaps in years past. I can remember more seasons than not when the Astros spent most of the year struggling to win against other teams. Even during the bad times though, there were always things to be excited about - especially getting to watch some of my favorite players play the game.

Having spent my whole life being an Astros fan it is hard to pick one favorite above them all. When push comes to shove though my absolute favorite of all time would have to be Craig Biggio. I could take time to go over his list of accomplishments in a career that would lead to being the first player inducted into the Hall of Fame to wear an Astros hat, but those would take up more space than I have in this article.

There is one stat though that, while it probably did nothing to help him get into the Hall of Fame, is one of the most unique and amazing in all of baseball. Biggio is second all time in the number of times he was hit by a pitch - 285 total times to be exact (the number one spot was hit 287 times).

Most players do everything they can to avoid being hit by a pitch - most of them would say it hurts a whole lot and you risk getting injured. Biggio was once asked, "So why allow yourself to get hit?" His reply - "It gets me to 1st base." Even though he knew there might be some pain and discomfort, he knew the prize that was waiting for him.

Just about all of us spend much of our lives avoiding getting hurt - be it physically, mentally or emotionally - and rightly so. I wonder though, are there ever times we are avoiding getting hurt when in actuality we need not move out of the way of the pitch?

The Psalmist writes, "Because (the Lord) is at my right hand, I shall not be shaken."

David certainly experienced lots of pain in his life from multiple sources. What was it that gave him strength to face the pain, courage to face the pitch as it was coming toward him?

David knew God's counsel that He was the source of strength for David and the source of all things good for him - even in the midst of pain. "Therefore my heart is glad and my whole being rejoices!"

Jesus also knew that truth - even as He faced trial, persecution and ultimately His death. Jesus knew Psalm 16:11 - He knew the path of life and that there will be fullness of joy in the presence of God - and by not being shaken even to the point of death, He ultimately wins that for you and me so that we don't have to flinch when we are getting ready to be hit by a pitch. We can stand firm knowing Jesus is at our right side, therefore we need not be shaken.

### Do You Know Your Numbers and What They Mean?

November is designated as Diabetes Awareness Month by the American Diabetes Association (ADA). 1.5 million people will be diagnosed with diabetes this year! If a diagnosis of diabetes or prediabetes is given to you, no need to panic. Your medical team, your family/community, and the ADA is able to give you good support through your journey. You can manage your diabetes through diet, exercise, medical and emotional support. You will be able to live a long and healthy life.

What is Diabetes? Diabetes is a metabolic disorder of the pancreas which produces the hormone insulin to aid the way our bodies digest food. There are several types of diabetes:

- Prediabetes – the lab tests show numbers close to the diabetes diagnosis (your pancreas is slowing down)
- Type 1 – the pancreas is unable to produce any insulin
- Type 2 – the pancreas can produce some insulin but not enough to keep the blood glucose (sugar) levels in normal range
- Gestational – diabetes during a woman's pregnancy.

I'll mainly focus on prediabetes and Type 2 diabetes. Prediabetes can be, but does not have to be, a precursor to Type 2 diabetes. There are no clear symptoms. Most people don't know they have it. When a person has a lab test and the results show an A1C of 5.7% - 6.4%, they are considered pre-diabetic. This lab test shows an average blood glucose level over a 2-3 month range. For a full diagnosis of diabetes the A1C levels will be greater than 6.5%. Your medical professional will no doubt order further blood glucose tests to give a more definitive and accurate diagnosis. Type 2 diabetics might experience some symptoms such as: urinating often, feeling very thirsty, feeling very hungry, extreme fatigue, blurry vision, cuts/bruises that heal very slowly, weight loss, and tingling, pain, or numbness in the hands or feet. Early detection and treatment of diabetes can decrease the risks of developing diabetic complications. Watching the types of foods you eat are a large part of being able to manage your glucose levels. The ADA has dubbed some foods as "Diabetic Superfoods" due to the health benefits. These are rich in vitamins, minerals, antioxidants and fiber. These foods include: beans, dark green leafy vegetables, citrus fruit, sweet potatoes, berries, tomatoes, fish high in omega-3 fatty acids, nuts, whole grains, milk, and yogurt.

Monitoring your own glucose levels is extremely important. There are many choices of blood glucose meters, but the right one that works best and easiest for you is the one you need, not necessarily the fanciest or the most expensive. Your medical team can help you choose and decide on the best one, but it must be used at home on a regular basis to keep you updated on how well you're managing your diabetes.

Poor management of one's blood glucose levels can and will lead to many other serious health problems. Some problems can be: skin complications, eye problems, neuropathy (called diabetic neuropathy), feet problems, ketoacidosis, kidney disease, high blood pressure, and stroke. With correct treatment and recommended lifestyle changes, many people with diabetes are able to prevent or delay the onset of complications.

The Ol' Sew 'n' Sow Quilting Group has a closet FULL of bed runners, quilts, pillows, adult bibs, fidget blankets and other hand-sewn items! If you have a friend or loved one that would benefit from the love that is sewn into each of these items, please see Pam Schulze or Katherine Bode any time to pick out something to share!

Anyone is invited to join them any Monday. They meet in the Parish Hall at 10am and enjoy laughter, lunch, and fellowship together all day long! Their latest project is preparing 20-30 nap quilts to be given out at Christmas at the Waco VA. Anyone who is interested in joining them for this project is welcome! Thank you for all you do to bring love and comfort to so many in our community.

Dear members of St. Paul,

We thank you from the bottom of our hearts for all the love, prayers, and support you have shown our family during these past months of doctor's visits, surgeries, and recoveries of both Eliana and Matthew. You all have truly been the hands and feet of Christ to us, and we wouldn't have made it through without all of you.

In Christ's Love,  
The Hardaway Family

## Sunday Morning GREETERS

We are so grateful for those who have served as Sunday Greeters in the our church family! We are currently organizing the 2020 Greeters Schedule and would like to welcome any members who have never served in this area to join the team! If you are interested in being added to the schedule, or would like to change your current service date/time, please contact Julie Hahn at 254.855.7484 as soon as possible.

We plan the entire year, and try our best to only schedule a family 2-3 times unless they would prefer to serve more often. Our goal is to have the 2020 schedule completed and in our greeters church mailbox by December 1.

### A stanza for Veterans Day

As we remember America's veterans on November 11, we would do well to read again the third stanza of Katherine Lee Bates' *America the Beautiful*:

O beautiful for heroes proved  
 In liberating strife,  
 Who more than self  
 Their country loved,  
 And mercy more than life!  
 America! America!  
 May God thy gold refine,  
 Till all success be nobleness,  
 And every gain divine!
